What is a Plate Lunch

In 1976, Eddie Flores, Jr. and Kwok Yum Kam concocted delectable plate lunches that captivated the islands. The Hawaiian plate lunch is a huge, gastronomically challenging mixture of Asian and American starches (two scoops rice and one scoop macaroni salad) supplemented by a United Nation of entrees such as chicken katsu, beef curry, deep fried shrimp, mahi mahi, lemon chicken, barbecue short ribs, hamburger steak, etc.

Ask any islander - the most famous plate lunch restaurant in Hawaii is L & L Hawaiian Barbecue. This popular chain has over 50 locations in the islands. It has been voted the "BEST LOCAL FOOD", the "BEST HAWAIIAN BARBECUE", and the "BEST PLATE LUNCH". Eating at L&L Hawaiian Barbecue is one of the easiest ways to taste the eclectic cuisine and culture. No shirt or shoes required!

L&L Hawaiian Barbecue is known for its large portions, freshly cooked food, and its reasonable prices. For hefty appetite, try our regular plate lunch. And for a smaller portion, try our small plate lunch. You will never go hungry at L&L Hawaiian Barbecue!

THE LUNAR CALENDAR AND THE SEXAGENARY CYCLE

The Chinese people observe many festivals according to the days in the lunar calendar, which runs in cycles of sixty years. The first cycle was set by Huang Ti B. C. 2697 and the system is continuous to the present, in groups of three cycles (上元, 中元, and 下元). The present cycle beginning 1924 is the third (下元) in the 26th group since Huang Ti and it is the 7th cycle. The group, from 1894 A. D. to 1993 A. D. inclusive, is presented below for your information. For example, 1954 is found in the 6th column under the section of snakes. In other words, 1954 is known as the year of snakes. You now can try to locate the year you were born. Is it "DOG, PIG, or RAT" year? Well, have fun!

The 26th Group of the Chinese Sexagenary Cycles 1894-1993 A. D.

Lanzhou Hand-pulled noodles, also known as beef noodles, originated from city of Lanzhou, the source of Huanghe river, western plateau of China. It is said that they were sold in the streets of Lanzhou as early as Han dynasty and Tang dynasty. The beef noodles then was called hot pot. During the period of Guangxu in Qing dynasty, there was a Muslim named Ma Bao Zhai who studied seriously on beef noodles and further made improvements on it. It has now become the light beef noodle soup. By the 1990s of last century, Lanzhou beef noodle soup has been sold all over China as well as every nation of South-east Asia. The worldwide customers highly praised the distinctness of Lanzhou beef noodles.

There are four characteristics of genuine Lanzhou Hand-pulled noodles:

- 1) Clear, means that soup should be clear.
- 2) White, means that flour must be white with onion.
- 3) Red, means that hot chili oil must be red.
- 4) Green, means that parsley, garlic bolt must be fresh and green.

Beef noodles vary in their sizes. They are commonly seen as wide, wider, thin, thinner as well as the side of olive leaf.

The distinctness of the Lanzhou Hand-pulled noodles is that it is cooked using beef, beef bones together with more than 20

different natural seasoning. It tastes deliciously without feeling greasy. The ancients said "Flour benefits heart, beef benefits body". The Lanzhou Hand-pulled Noodles together with (1) an Lamb soup, Sianxi knife-sliced noodles and Tianjin Goubuli dumplings are called the Four most favorite food of China, and have been made known nationwide.

Cattle eat variety of grasses and consume hundreds of diseases. Today's science indicates that beef hump adds calcium to human body. Eating beef and lamb in winter can dispel cold, keep warm and nourishes one's health in summer.

**Our
Unique
Philosophy**

Authentic Home Style
Cooking does not include
combination plates.

Truthfully, Chinese Food
is a relatively simple matter.
It's no secret, there are
only five different sauces.

Y. When a main dish,
say pork, shrimp or beef is
combined with a sauce, it is
transformed into an authentic
culinary masterpiece.

This is the Art
of Home Style Cooking.

Our philosophy
stands behind every dish.

Basically, we guarantee each
and every item on our menu.
If you are unhappy with
your selection, you may order
another dish more to your liking.

Only the finest ingredients
are used in the preparation of
our Home Style Cooking.
We do not use any artificial
flavors, colors or preservatives.
MSG will be omitted
at your request.

Please call on us to suggest
a unique dish or an entire meal.

We are here to please
and introduce you to the
Traditional Customs and Practices of
Home Style Cooking.

When I was a boy in the Province of Szechuan in Mainland China, my Mother prepared her home-style dishes for our family. Out of respect for my ancestors' traditional dishes and the curiosity of my American friends, I am re-creating some of her authentic Chinese dishes. If you have any special preferences or questions about Chinese cooking, etiquette, customs or language, please do not hesitate to ask me. Knowledge is our friend.
